

Grow with us and make a change!

Every day, we make the world cleaner, safer and healthier – protecting people and vital resources. Ecolab is the global leader in water, hygiene and energy technologies and services. Around the world businesses in foodservice, food processing, hospitality, healthcare, industrial, and oil and gas markets choose Ecolab products and services to keep their environment clean and safe, operate efficiently and achieve sustainability goals. Our global workforce of over 47,000 employees is consistently delivering comprehensive solutions that meet the unique needs of our customers.

Share our passion for protecting people and vital resources? Ready to harness your talent in ways that matter? Eager to work for a market leading company where your own success fuels that of your customers?

We are currently looking for an

Intern (f/m) Marketing based in Monheim am Rhein

Your Responsibilities – effective

- Assist Marketing team in execution of Marketing Plans
- Coordinate the layout, approval, printing and distribution of commercial material
- Support regions in local marketing and communication activities and interact with external agencies
- Maintain marketing materials for a Pan-European Retail Product Portfolio in all languages for all European countries as well as maintaining all product portfolio materials on Sharepoint/database
- From time to time support Field Sales and Corp Account organisation with customer management requirements (tender, customer specific material)

Your Profile – impressive

- Student enrolled in a Bachelor program in economics, business administration, marketing, quality or equivalent experience
- Previous interaction with either chemical industry or Food Retail would be appreciated
- Fast learner with a great sense of autonomy and a results-oriented, pragmatic, analytical, problem-solving and self-motivated personality
- Well organized and flexible, able to switch easily between priorities in a fast paced environment and team orientation
- Fluent in English, additional European languages are of benefit
- Advanced computer skills (MS Office, SAP, Sharepoint, Adobe Captivate knowledge is highly beneficial), Adobe Photoshop is a plus

Our Offer - appreciative

- Working in a dynamic, cooperative and global environment
- Attractive salary
- Complementary access to our inhouse-gym, massage chairs and parking lot
- Coffee-connect-areas, company canteen and think tanks
